END OF RECORD

For Manager
Criminal Records Section
NSW Police Force
Issued: 22/01/2019

1. This certificate is based upon a check of the National Names Index (NNI) using the name and date of birth of the person referred to above. Given that fingerprints are not taken by police services in Australia in all instances, it is possible that the NNI may contain information recorded against this person under another name or alias.
2. This certificate is issued subject to the various applicable laws, which prohibit the disclosure of spent convictions, except in certain circumstances. Accordingly, the term "no disclosable court outcomes" does not necessarily indicate a clear police record.
3. Given that there is an unavoidable time lapse between the recording of convictions by courts and the updating of the NNI, this certificate can only reflect the completeness and accuracy of these systems (subject to the proviso in paragraph 2), at the time of application.
4. Applicants should be given an opportunity to verify the contents of this Certificate.
5. For further information regarding this Certificate, contact the NSW Police Force Criminal Records Section on 02 8835 7888 or TTY 92113776 or www.police.nsw.gov.au

The information contained in this document is valid as at date displayed.

This certificate is produced on secure paper to provide proof of authenticity.
Several security features are integrated within the document, some of which are described overleaf.
The absence of any of the security features indicates this is not an original document.
