Registration as a registered NDIS provider

Dear Abayomi Tolulope Fabunmi

Thank you for your application to be registered as a National Disability Insurance Scheme (NDIS) provider. I am pleased to advise that I have decided to register Inline Care Pty Ltd (trading as: INLINE CARE) as a registered NDIS provider under section 73E of the *National Disability Insurance Scheme Act 2013* (NDIS Act).

Your Registration ID: 4-JNF765C

You will need this Registration ID when contacting the NDIS Commission in relation to your registration.

Registration Scope

Inline Care Pty Ltd is registered to provide throughout Australia the supports and services for which it is approved as a registered NDIS provider. If Inline Care Pty Ltd wish to provide additional supports or services, an application to vary registration may be made to the NDIS Commission.

Certificate of registration

The details of Inline Care Pty Ltd registration, including the classes of supports or services that you are registered to provide and the conditions which apply to Inline Care Pty Ltd registration, are specified on the Certificate of Registration. The Certificate of Registration is attached and will apply from 15 May 2024.

It is important that you are familiar with the conditions of your registration and your responsibilities as a registered NDIS provider, including the requirement to notify the NDIS Commission of certain changes or events. Guidance is available on the NDIS Commission website at [NDIScommission.gov.au/notify-change-event](https://www.ndiscommission.gov.au/notify-change-event).

Key Personnel

Under sections 13 and 13A of the National Disability Insurance Scheme (Provider Registration and Practice Standards) Rules 2018 you must notify the Commissioner of certain matters and events, including certain significant changes in your organisation or your governance arrangements. The Commissioner considers that the following to be examples of significant changes of this nature: a change in the membership of key personnel, including a change to the partners of a partnership, the directors of a corporation and changes to senior managers, such as Chief Executive Officers, who are responsible for your executive decisions. The National Disability Insurance Scheme (Registered NDIS Provider Notice of Changes and Events) Guidelines 2019 provide additional examples of changes which the Commissioner considers are significant.

Additional Condition of Registration

Additional conditions have been imposed on Inline Care Pty Ltd registration under section 73G of the NDIS Act. The additional conditions of registration are set out in your Certificate of Registration.

Condition 1. The decision to impose this condition recognises that the provider is required to undergo a full Certification audit against the NDIS Practice Standards and has currently undergone a provisional audit as the delivery of NDIS supports and services had not commenced at the time of the audit. The remaining elements of the Certification audit (a stage 2 audit) are to be completed within the period specified in the condition.

Condition 2. The decision to impose this condition recognises that any NDIS participant who is provided with personal support in their own home may experience a level of risk if those supports are provided by the same individual NDIS worker for any extended period of time. This risk is likely to be greater where the NDIS participant lives alone. The imposition of the additional condition seeks to strike a balance between addressing this risk and allowing an NDIS participant choice in relation to their personal support arrangements. The condition will help ensure that personal supports are provided with appropriate protections being put in place by their NDIS provider. The condition will help to ensure that NDIS providers that provide personal support to NDIS participants who live alone and are supported by the one individual worker have:

- worked with the NDIS participant to assess any risks to them, and
- established appropriate arrangements for monitoring the quality of those supports and to monitor the participant's satisfaction with them.

Review under section 100 of the NDIS Act

Inline Care Pty Ltd may request a review of my decision to refuse to register it as a registered NDIS provider. Inline Care Pty Ltd may do so within three (3) months from the date this decision is served on it.

Any application for an internal review will be dealt with by someone who was not involved in the making of the decision.

Should Inline Care Pty Ltd wish to request a review of my decision, it may make the request in writing and email it to review@ndiscommission.gov.au or send it by post, addressed to:
