Duty of Disclosure Notice

Before you enter into an insurance contract you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, may affect its decision to insure you and on what terms.

You have this duty until the insurer agrees to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

If you do not tell the insurer something

If you do not tell the insurer anything you are required to, it may cancel your insurance contract or reduce the amount it will pay you if you make a claim, or both.

If your failure to tell the insurer is fraudulent, it may refuse to pay a claim and treat the contract as if it never existed.

Personal Accident & Illness Insurance – Duty of Disclosure (Not to Misrepresent)

Before entering into a consumer insurance contract, you have a duty to take reasonable care not to deliberately, recklessly or carelessly provide the insurer with incomplete or misleading information (misrepresentation). This enables the insurer to determine whether to insure you and, if so, on what terms. You have this duty until the insurer agrees to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract. Personal Accident insurance and Personal Accident and Illness insurance are the only types of consumer insurance contracts available for purchase through BizCover.

If you make a misrepresentation to the Insurer

If you make a misrepresentation to the insurer and it is determined you failed to take reasonable care not to do so, the insurer may cancel your insurance contract or reduce the amount it will pay you if you make a claim, or both. If it is determined that your misrepresentation to the insurer was fraudulent, it may refuse to pay a claim and treat the contract as if it never existed.

Claims Made & Notified Policy Notice –

Relevant if you purchase a Professional indemnity, Cyber liability, IT liability or Management Liability Insurance policy or where otherwise noted in the policy wording.

The proposed insurance is issued on a 'claims made and notified' basis as specified in the policy wording. This means that the policy responds to claims first made against the insured during the policy period and notified to the insurer during that policy period.

Refer to the policy wording for full details.

Under Section 40(3) of the Insurance Contracts Act 1984 (Cth) if the insured gives notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the policy expires, the insurer is not relieved of liability under the policy in respect of the claim, when made, by reason only that it was made after the expiration of the period of the insurance cover provided by the policy.

If during the policy period you become aware of circumstances which a reasonable person in your position would consider may give rise to a claim, and which you fail to notify to the insurer during the policy period, the insurer may not cover you under the policy or a subsequent policy for any claim which arises from these circumstances.

When completing the application, and at subsequent renewals, you are obliged to report and provide full details of all circumstances of which you are aware and which a reasonable person in your position would consider may give rise to a claim.

It is important that you make proper disclosure (see Duty of Disclosure Notice, above) so that your cover under any policy is not compromised.

Retroactive Liability

The proposed insurance may be limited by a retroactive date either stated in the schedule or endorsed onto the policy. Where the cover provided by the proposed policy is subject to such a retroactive date, then the policy does not cover any claim arising from an actual or alleged act, error, omission or conduct occurring prior to such retroactive date.

Agency Notice

In effecting this insurance BizCover Pty Ltd (ABN 68 127 707 975; AFSL 501769) will be acting under an authority given to it by the insurer and will be effecting the contract as agent of the insurer and not the insured.

General Advice Warning

We do not recommend an insurance policy for you, we only offer the policies available to us from the insurers listed on our website. Any advice provided is General Advice only.

General Advice is advice that has been prepared without considering your current objectives, personal circumstances, financial situation or needs.

Therefore, before acting on this advice, you should consider the appropriateness of the advice having regard to your current objectives, personal circumstances, financial situation or needs. If the advice provided relates to the acquisition or possible acquisition of a new insurance policy you should read the Product Disclosure Statement and/ or Policy Wording (available on our website) before making any decision about whether to acquire such a financial product.

Renewing the Policy (including Auto-Renewal)

We will send you notification of whether the insurer is prepared to negotiate to renew the policy and if so, on what terms, at least 14 days before the expiry date of your policy.

Unless we require a new proposal or declaration from you to determine your premium or decide to offer renewal (we will tell you by email if this is the case), the renewal notice will show the premium for the new period of insurance and may also include notice of any changes to the terms of your policy.

If you wish to take up such a renewal offer and you are happy the information is accurate and you have no further disclosure to make to insurers under your duty of disclosure (see Duty of Disclosure Notice, above), you will not have to do anything and if we do not hear from you 7 days before the expiry of your current period of insurance we will automatically deduct / charge the renewal premium from your account / credit or debit card and your policy will be subsequently renewed. If you do not wish to take up the renewal offer you must contact us within 7 days of the payment due date.

When you receive a renewal offer, you must tell us before expiry if the information contained in it is incorrect or incomplete and make such additional disclosure to us as is required pursuant to your duty of

disclosure. We will then consider the additional information and whether and on what terms we are able to arrange for policy renewal.

If we are not able to automatically renew your policy we will send you an email notification for you to either complete your renewal online or to contact us. Please ensure you keep us updated of any change to your email address.

Commission and Fees

For each insurance product the insurer will charge you a premium. We receive from the insurer a commission that is a percentage of this premium, varying between 0% and 30%.

We also charge per policy a platform fee of \$20 to \$200 (ex. GST) for the policies we arrange. This fee relates to the delivery of the service from BizCover to you including but not limited to the provision and maintenance of the technology platform and the services provided by BizCover's consulting and administrative personnel.

If you elect to pay your premium by monthly instalments, we will also charge you an instalment administration charge of \$8 per month (ex. GST).

If you pay by credit or debit card we may charge you a card (including arrangement & handling) fee. This fee covers the cost of bank charges etc. associated with such facilities.

All fees payable for services will be advised to you separately from your premium on the invoices we provide.

Policy Cancellation

You have the right to cancel your policy at any time by providing written notice to us. Upon receipt of your cancellation request, the policy cancellation will take effect on the day the request is made or on a future date. It is important to note that the cancellation date cannot be retrospective, except within the cooling-off period, if applicable.

The insurer may cancel your policy in accordance with the Insurance Contracts Act, 1984 (Cth).

BizCover Remuneration Rights on Policy Cancellation

The premium you pay for your insurance policy includes a commission payable to BizCover for arranging your insurance policy (Commission). If you cancel any insurance policy arranged through BizCover, and the cancellation occurs outside of any cooling-off period (if applicable), you acknowledge that BizCover will retain its commission and fees from any refund owed to you upon cancellation.

The agreement under this clause is between you and BizCover and not between you and the insurer. BizCover acts on its own behalf when deducting the payment owed to it under this clause and not on behalf of any insurer.

Privacy Collection Notice

We generally collect personal information from you or through service providers that act for us. However, there

may be occasions when we collect it from someone else where they hold relevant information.

We will use your personal information for the purposes for which it was collected (usually to arrange a quote for insurance or an insurance policy for you; assist you with any claims you may make; or to contact you), other related purposes and for the other purposes outlined in our Privacy Policy.

We may disclose your personal information to insurers, our service providers, our referral partners (if you purchased through us as a result of referral) and other parties, as detailed in our Privacy Policy.

For more details on what personal information we collect, how we collect it and from whom, and how we hold, use and disclose your personal information please refer to our Privacy Policy. The Privacy Policy also provides information about how you can access your personal information, seek correction of it and complain about a breach of privacy law and how we will deal with such a complaint.

You may choose not to give us your personal information, but this may affect our ability to provide you with a product or service, including arranging a quote for insurance or an insurance policy for you, communicate with you or respond to your enquiries.

Introduction

Please read the policy carefully to ensure that it meets your requirements. It is written on a claims made and notified basis, which means that, subject to the 'Continuous Cover' clause, it will respond to claims first made against the Insured and notified to the Insurer during the Policy Period (or notified in accordance with the terms of any applicable additional or extended reporting period).

Any word or expression to which a specific meaning has been attached shall bear that specific meaning wherever it may appear.

You received important notices about your duty of disclosure, unusual terms in medical malpractice insurance policies and our privacy statement prior to purchasing this policy. The notices are replicated below your reference. A reference to "you" or "your" in the notices section below includes the Insured.

Notices

These notices do not form part of the policy.

Broker acting as agent for insurer

In effecting this contract of insurance the broker will be acting under an authority given to it by the insurers and the broker will be effecting the contract as agent of the insurer and not the insured. Bizcover Pty Ltd (ABN 68 127 707 975; AFSL 501769) arranges the insurance and AAI Limited (ABN 48 005 297 807) trading as Vero Insurance issues the insurance.

Your duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract. You do not need to tell us anything that:

- ▼ reduces the risk we insure you for; or
- ▼ is common knowledge; or
- ▼ we know or should know as an insurer; or
- ▼ we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Claims made and notified basis of cover and retroactive date

This policy is issued on a 'claims made and notified' basis. This means that the policy covers claims:

- (a) first made against you during the policy period; and
- (b) you tell us about during the policy period.

Where your policy has an additional or extended reporting period, subject to the terms of the policy, you may have:

- ▼ an additional period to tell us about claims first made against you during the policy period; and/or
- ▼ cover for claims first made against you during the extended reporting period and which you tell us about during the extended reporting period — provided the claims are based on an act, error, or omission alleged to have been committed prior to the expiry of the policy period.

Pursuant to section 54 of the Insurance Contracts Act 1984, if you tell us about claims first made against you during the policy period (or additional or extended reporting period, if applicable), after the policy period and any applicable additional or extended reporting period expires, we may be able to reduce our liability by an amount that fairly represents the extent to which our interests were prejudiced as a result of your delay in notifying us of the claim.

Written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984: If during the policy period, you learn about facts that might lead to a claim and you tell us in writing about these facts as soon as reasonably practicable after you became aware of those facts but before the end of the policy period, we will treat any subsequent claim arising from those facts as though it was made against you during the policy period.

The policy doesn't cover claims or potential claims that you knew about prior to the policy period which would have put a reasonable person in your position on notice that a claim may be made against you. (There are some exceptions to this rule if a 'Continuous Cover' extension applies).

If a retroactive date is applied or shown on the policy schedule, the policy doesn't cover claims resulting from an act or failure to do something before that date.

Average provision

If your policy provides for 'Costs in Addition' to the limit of indemnity and if a payment in excess of the limit of indemnity available under your policy has to be made to dispose of a claim, the insurer shall only be liable for the percentage of the costs and expenses incurred with the insurer's prior consent that is a proportionate ratio to the amount of indemnity available under this policy.

Preservation of rights of recovery / subrogation waiver

This policy contains provisions that have the effect of excluding the insurer's liability for a loss or liability incurred due to the insured, entering into:

- (a) any agreement whereby the insured releases, agrees not to sue or, waives or prejudices any rights of recovery;
- (b) any deed or agreement excluding, limiting or delaying the legal rights of recovery against another party; or
- (c) any agreement or compromise whereby any rights or remedies to which the insurer would be subrogated are or may be prejudiced.

Privacy statement

Policy wording

A. Agreement between Policyholder and the Insurer

The **Policyholder** and the **Insurer** agree that the **Insurer** will provide insurance in accordance with the terms of this **Policy** as set out below.

B. Where 'prior consent' is required from the Insurer

There are some covers under the **Policy**, where the **Insured** will need to obtain the **Insurer's** prior consent, for example, before incurring costs. Where prior consent is required, consent must be obtained from the **Insurer**, unless the extension 7.6 'Emergency Defence Costs and Inquiry Costs' applies or is otherwise specified in the **Policy**. The **Insurer's** consent will not be unreasonably withheld or delayed.

Where prior consent has not been obtained as required, it does not mean the **Insured** cannot make a claim. However, the **Insurer** may be able to reduce the claim payable by an amount that fairly represents the extent to which the **Insurer's** interests were prejudiced by the failure to obtain prior consent.

C. Payment of reasonable amounts of any costs, charges expenses and fees under this Policy

A range of different costs, charges, expenses and fees are covered under this **Policy**. Unless otherwise specified in the **Policy**, the **Policy** provides cover for the 'reasonable' amount of such cost, charge, expense or fee. Reasonable amount means an amount that is not excessive and where the **Insured** has given reasonable consideration in the circumstances to the different courses of action available prior to incurring the amount and the course of action taken was prudent in that context.

Where consent is required before incurring such costs, when the **Insured** contacts the **Insurer** to seek the **Insurer's** consent, the **Insured** can let the **Insurer** know the steps it has taken to consider the courses of action available and discuss the circumstances with the **Insurer**. If the amounts which are to be incurred are reasonable in the circumstances, the **Insurer** will provide consent for the costs to be incurred.

D. Policy terms

1. Insuring clause

The **Insurer** will indemnify the **Insured** against civil liability for compensation and claimant's costs and expenses in respect of any **Claim** first made against the **Insured** during the **Policy Period** and notified to the **Insurer** during the **Policy Period** resulting from the conduct of the **Healthcare Services**.

2. Limit of indemnity and maximum aggregate limit of indemnity

The liability of the **Insurer** for compensation and claimant's costs and expenses in respect of any one **Claim** first made against the **Insured** and notified to the **Insurer** during the **Policy Period** shall not exceed the **Limit of Indemnity**.

The aggregate liability of the **Insurer** under this **Policy** will not exceed the **Maximum Aggregate Limit of Indemnity** for all **Claims** first made against the **Insured** and notified to the **Insurer** during the **Policy Period**.

3. Defence costs

1. If the 'Basis of Limit' in the **Schedule** is specified as 'Costs in Addition':

- (a) subject to (1)(b), the **Insurer** will, in addition to the **Limit of Indemnity**, pay reasonable **Defence Costs** incurred with the **Insurer's** prior consent in connection with a **Claim** under this **Policy**; and
- (b) if the total amount of compensation and claimant's costs and expenses required to dispose of any one **Claim** ("Total Claim Amount") exceeds the **Limit of Indemnity**, the **Insurer** shall only be liable for the percentage of reasonable **Defence Costs** that is a proportionate ratio to the Total Claim Amount that is indemnified by the **Limit of Indemnity**.

2. If the 'Basis of Limit' in the **Schedule** is specified as 'Costs Inclusive':

- (a) subject to (2)(b), the **Insurer** will pay reasonable **Defence Costs** incurred with the **Insurer's** prior consent in connection with a **Claim** under this **Policy**; and
- (b) the liability of the **Insurer** for compensation, claimant's costs and expenses and reasonable **Defence Costs** in respect of any one **Claim** shall not exceed the **Limit of Indemnity** and the liability of the **Insurer** for compensation, claimant's costs and expenses and reasonable **Defence Costs** in respect of all **Claims** shall not exceed the **Maximum Aggregate Limit of Indemnity**.

4. Excess

If the **Excess** is specified as 'Costs Inclusive' in the **Schedule**, the **Principal Policyholder** must pay the amount of any:

1. compensation;
2. claimant's costs and expenses; and
3. reasonable **Defence Costs**,

that are collectively equal to or less than the **Excess** for any one **Claim**. The **Insurer** has no liability for the amount of compensation, claimant's costs and expenses or reasonable **Defence Costs** that is equal to or less than the **Excess** for any one **Claim**.

If the **Excess** is specified as 'Costs Exclusive' in the **Schedule**, the **Excess** does not apply to **Defence Costs** but the **Principal Policyholder** must pay the amount of any:

1. compensation; and
2. claimant's costs and expenses,

that are collectively equal to or less than the **Excess** for any one **Claim**. The **Insurer** has no liability for the amount of compensation or claimant's costs and expenses that is equal to or less than the **Excess** for any one **Claim**.

The **Excess** is deducted from compensation, claimant's costs and expenses or reasonable **Defence Costs** payable before the application of the **Limit of Indemnity**.

The **Principal Policyholder** must pay the amount of any reasonable **Inquiry Costs** that is equal to or less than the **Excess** for any one **Inquiry Notice**. The **Excess** is deducted from reasonable **Inquiry Costs** payable before the application of the 'Inquiry Costs Sub-limit' specified in the **Schedule**. The **Insurer** has no liability for the amount of reasonable **Inquiry Costs** that is equal to or less than the **Excess** for any one **Inquiry Notice**.

The **Principal Policyholder** must pay the amount of any reasonable **Public Relations Expenses** that is equal to or less than the **Excess** for any one **Adverse Publicity Event**. The **Excess** is deducted from the reasonable **Public Relations Expenses** payable before the application of the 'Public Relations Expenses Sub-limit' specified in the **Schedule**. The **Insurer** has no liability for the amount of any reasonable **Public Relations Expenses** that is equal to or less than the **Excess** for any one **Adverse Publicity Event**.

The **Principal Policyholder** agrees that the **Excess** must be borne by the **Principal Policyholder** and is to remain uninsured.

The method for payment of the **Excess** will depend on the particular circumstances of the **Claim**, for example:

- (a) the **Insurer** may pay the amount of compensation, claimant's costs and expenses, **Defence Costs** or **Inquiry Costs** that is less than the **Excess**, and then require repayment of this amount from the **Principal Policyholder**;
- (b) the **Insurer** may deduct the amount of the **Excess** from the amount payable by the **Insurer** to the **Insured**; or
- (c) the **Insurer** may require the **Principal Policyholder** to pay the **Excess** directly to a third party.

5. Aggregation of claims and notices

All **Claims** arising out of, based upon, attributable to or in respect of a single act, error or omission or series of acts, errors or omissions consequent upon or attributable to one source or original cause shall be considered to be one **Claim** and shall attract one **Limit of Indemnity** and one **Excess**.

For the purposes of extension 7.10 'Inquiry Costs', all **Inquiry Notices** arising out of, based upon, attributable to or in respect of any one inquiry or hearing shall be considered to be one **Inquiry Notice** and shall attract one **Excess**.

6. Insurance clarification

For the purposes of clarifying the scope of cover under 1. 'Insuring Clause' of this **Policy**, civil liability includes, but is not limited to:

6.1 Consumer Protection Legislation

Claims for civil liability for compensation resulting from breach of a statutory duty under the Competition and Consumer Act 2010 (Cth), Corporations Act 2001 (Cth), National Consumer Credit Protection Act 2009 (Cth) or similar legislation enacted for the protection of consumers, within any Australian jurisdiction including any amendment, consolidation, re-enactment, replacement or successor of such legislation, to the extent that such **Claims** are not otherwise excluded under this **Policy**.

6.2 Contractual liability

Notwithstanding exclusion 9.2.3 'Assumption of liability', contractual liability, provided that:

1. the **Insurer** will not be liable for any liability assumed by the **Insured** under a deed or agreement (for example under any express warranty, guarantee, hold harmless agreement or indemnity clause) unless such liability would have attached to the **Insured** in the absence of such deed or agreement; and
2. where a **Claim** is an alleged breach of contract the **Insurer** will not reduce their liability by the mere fact that contributory negligence is not available as a defence.

6.3 Intellectual property

Infringement of rights of intellectual property, provided that the act, error or omission by the **Insured** is unintentional and is committed in the conduct of the **Healthcare Services**.

6.4 Defamation

Claims arising from or in respect of defamation, provided that:

1. the defamation arises from the conduct of the **Insured's Healthcare Services**; and
2. the defamation is not made by the **Insured** with express malice.

- (a) reasonable **Defence Costs** incurred with the **Insurer's** prior consent arising from; and
- (b) reasonable **Inquiry Costs** incurred with the **Insurer's** prior consent in respect of,

- (e) regular or overtime wages, salaries or fees of the **Insured** are excluded from this indemnity.

For the purposes of this extension, 'abuse' has the same meaning given to it in exclusion 9.2.1 'Abuse'.

7.2 Advancement of costs

The **Insurer** will advance reasonable **Defence Costs** and reasonable **Inquiry Costs**, incurred by the **Insurer** or the **Insured** with the **Insurer's** prior consent, as they are incurred and prior to final adjudication of a **Claim**.

If and to the extent that the **Insured** is not entitled to coverage under the terms and conditions of this **Policy**, then the **Insurer** will cease to advance such costs and any amounts previously advanced shall be repaid to the **Insurer**.

The **Insurer** may not refuse to advance reasonable **Defence Costs** or reasonable **Inquiry Costs** by reason only that the **Insurer** considers that:

- (a) the conduct referred to in exclusion 9.2.6 'Dishonest, Fraudulent or Criminal Acts' has occurred, until such conduct is established; or
- (b) any services as referred to in exclusion 9.2.10 'Intoxicants and Drugs' were rendered or failed to be rendered competently or at all, by any person under the influence of intoxicants or drugs, until it is established that they were under such influence,

The **Insurer** will pay the **Policyholder** compensation if legal advisers, acting on behalf of the **Insured** with the consent of the **Insurer**, require any **Principal** or **Employee** to attend court in connection with a **Claim** under this **Policy** first made and notified to the **Insurer** during the **Policy Period**, but only in circumstances where the **Policyholder** actually pays the **Principal** or **Employee** for their time. Such compensation by the **Insurer** will be at the rate equivalent to such **Principal's** or **Employee's** daily take home salary or wage up to a maximum of \$500 per person for each day on which attendance is required subject to a maximum of \$20,000 for all persons for any one **Claim**.

If and to the extent that the **Policyholder** is not entitled to coverage under the terms and conditions of this **Policy**, then all amounts paid to the **Policyholder** under this clause shall be repaid to the **Insurer** by the **Policyholder**.

7.4 Continuous cover

Where the **Insured**:

1. first became aware of facts or circumstances that might give rise to a **Claim**, prior to the **Policy Period**; and
2. had not notified the **Insurer** of such facts or circumstances prior to the **Policy Period**,

then exclusion 9.1.1 'Prior Claims or Known Circumstances' will not apply to any notification during the **Policy Period** of any **Claim** resulting from such facts or circumstances, provided that:

- (a) there is an absence of fraudulent non compliance with the **Insured's** duty of disclosure and an absence of fraudulent misrepresentation by the **Insured** in respect of such facts or circumstances;
- (b) the **Policyholder** has been continuously insured, without interruption at the time of the notification of the **Claim** to the **Insurer**, under a professional indemnity policy issued by the **Insurer** and was insured by the **Insurer** at the time when the **Insured** first became aware of such facts or circumstances; and
- (c) the **Insurer** may reduce its liability under the **Policy** to the extent of any prejudice the **Insurer** may suffer in connection with the **Insured's** failure to notify the facts or circumstances giving rise to a **Claim** prior to the **Policy Period**.

7.5 Dishonesty of employees and principals /Medicare benefits fraud

The **Insurer** will, notwithstanding exclusion 9.2.6 'Dishonest, Fraudulent or Criminal Acts', indemnify the **Insured** against civil liability for compensation and claimant's costs and expenses in respect of any **Claim** first made against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from any dishonest, fraudulent, criminal or malicious act or omission, including but not limited to **Medicare Benefits Fraud**, by any **Employee** or **Principal** occurring or committed in connection with the **Healthcare Services**.

The **Insurer** will pay **Defence Costs** on the basis already set out in this **Policy**.

Nothing in this extension shall require the **Insurer** to indemnify any **Employee** or **Principal** who has perpetrated any such dishonest, fraudulent, criminal or malicious act or omission or any **Insured** who by act or omission has condoned any such dishonest, fraudulent, criminal or malicious act or omission.

7.6 Emergency Defence Costs and Inquiry Costs

Notwithstanding Claims Condition 10.4 'Claims Settlement', if, due to an emergency, the **Insured** is unable to request the **Insurer's** consent prior to the incurring of **Defence Costs** or **Inquiry Costs** then the **Insured** may incur reasonable **Defence Costs** or **Inquiry Costs** without the **Insurer's** prior consent until such time as the **Insured** contacts or could reasonably have contacted the **Insurer**.

The total liability of the **Insurer** under this Extension will not exceed \$100,000 in the aggregate for the **Policy Period**.

An emergency may include a circumstance where the **Insured** needs to respond to a request arising from the service of a legal document in a very short stipulated timeframe (for example, outside of business hours), where the **Insured** is not reasonably able to contact the **Insurer** in that timeframe.

In the event the **Insured** incurs reasonable **Defence Costs** or **Inquiry Costs** without the **Insurer's** prior consent after such time the **Insured** could reasonably have contacted the **Insurer** to request the **Insurer's** prior consent, the **Insurer** may reduce its liability for such **Defence Costs** or **Inquiry Costs** by an amount that fairly represents the extent to which the **Insurer's** interests are prejudiced by the **Insured's** failure to request the **Insurer's** prior consent.

7.7 Extended reporting period

7.7.1 Purchasing an extended reporting period

In the event that this **Policy** is neither renewed nor replaced at the end of the **Policy Period** with insurance that covers substantially the same risk exposure as this **Policy**, the **Principal Policyholder** will be entitled to purchase an extended reporting period as detailed in 7.7.2 below.

The **Principal Policyholder** will not be entitled to purchase an extended reporting period if the **Policyholder** is **Insolvent** during the **Policy Period**.

The entitlement to purchase the extended reporting period lapses upon expiry of the **Policy Period**.

The application to purchase the extended reporting period must be received by the **Insurer** prior to the expiry of the **Policy Period**, and payment of the additional premium must be made to the **Insurer** within thirty days of the same date.

The additional premium for the extended reporting period will be 100% of the **Full Annual Premium**. If the extended reporting period ends because the **Policyholder** cancels the **Policy** or obtains insurance that covers substantially the same risk exposure as this **Policy** then the **Insurer** will retain a short term premium calculated at the pro rata proportion of the additional premium and the **Principal Policyholder** will receive a refund of any balance of the premium, unless there have been any notifications during the **Policy Period** or the extended reporting period, in which case no refund shall be given.

7.7.2 Details of the extended reporting period

Where the **Principal Policyholder** has purchased an extended reporting period, the period begins immediately following the expiry of the **Policy Period** and ends on the earlier of 4.p.m. **L.S.T.** on the three hundred and sixty fifth day thereafter, or at the time on the effective date on which the **Policyholder** obtains insurance that covers substantially the same risk exposure as this **Policy**.

During the extended reporting period the **Insured** may continue to notify the **Insurer** of **Claims**:

1. where the **Claim** is first made against the **Insured** during the **Policy Period** or extended reporting period; and
2. provided the **Claims** result from the conduct of the **Healthcare Services** prior to expiry of the **Policy Period**.

Any notification to the **Insurer** during this extended reporting period will be deemed to have been first notified to the **Insurer** during the **Policy Period**.

7.8 Former subsidiary

The indemnity provided by 1. 'Insuring Clause' is extended to cover the conduct of the **Healthcare Services** by any former **Subsidiary** of the **Policyholder** that is specified in the **Proposal**, provided that such indemnity shall only apply in respect of civil liability arising out of any act, error or omission occurring prior to the date such **Subsidiary** ceased to be a **Subsidiary** of the **Policyholder**.

The **Insurer** will pay **Defence Costs** on the basis already set out in this **Policy**.

7.9 Good samaritan acts

The **Insurer** will indemnify the **Insured** against civil liability for compensation and claimant's costs and expenses in respect of **Claims** first made against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from the rendering of or failure to render first aid and assistance in an emergency situation or accident, except when such **Insured** is engaged in a professional capacity by another person or entity. In the event of a conflict between this extension and exclusion 9.2.4 'Childbirth,' this extension shall apply.

7.10 Inquiry costs

The **Insurer** will indemnify the **Insured** for reasonable **Inquiry Costs** incurred with the **Insurer's** prior consent, provided that:

- (a) the **Inquiry Notice** is first received by the **Insured** and notified to the **Insurer** during the **Policy Period**;
- (b) such **Inquiry Notice** arises directly from conduct allegedly committed by the **Insured** in conducting the **Healthcare Services**;
- (c) regular or overtime wages, salaries or fees of the **Insured** are excluded from this indemnity; and
- (d) the total liability of the **Insurer** for all reasonable **Inquiry Costs** under this extension will not exceed in the aggregate, during the **Policy Period**, the 'Inquiry Costs Sub-limit' specified in the **Schedule**.

If there is an entitlement to indemnity for **Inquiry Costs** for an inquiry or hearing under extension 7.1 'Abuse Defence Costs and Inquiry Costs' then there is no entitlement to indemnity for **Inquiry Costs** in respect of that inquiry or hearing under this extension.

7.11 Joint venture liability

The **Insurer** will indemnify the **Insured** against civil liability for compensation and claimant's costs and expenses in respect of any **Claim** first made against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from the **Policyholder's** participation in any joint venture in connection with the **Healthcare Services** provided that:

- (a) the indemnity given shall only relate to the **Policyholder's** proportion of any liability incurred by such joint venture; and
- (b) where:
 - (i) the **Insurer** required a declaration of the **Policyholder's** income derived from participation in such joint venture for the purpose of calculating the **Full Annual Premium** for this **Policy**, whether in the **Proposal** or otherwise; and
 - (ii) the income derived from participation in such joint venture was not included in the declaration, the premium otherwise payable by the **Policyholder** will be adjusted accordingly by the **Insurer** at the time of the **Claim** in relation to the **Insured**.

The **Insurer** will pay **Defence Costs** on the basis already set out in this **Policy**.

7.12 Legal consultation

The **Policyholder** is entitled to up to two hours legal advice from the 'Legal Adviser' specified in the **Schedule** (or their delegate) on any matter related to the risks insured under this **Policy**, except in relation to the scope of cover provided under this **Policy**, or claims, disputes or complaints against the **Insurer**, provided that:

- (a) the legal advice is sought during the **Policy Period**; and
- (b) the **Policyholder** must provide the legal adviser with the policy number, **Policy Period** and name of the **Policyholder**.

There will be no cost payable by the **Policyholder** for the legal advice.

7.13 Lost documents

The **Insurer** will, in the event of loss of or damage to **Documents** occurring in connection with the **Healthcare Services**, indemnify the **Policyholder** for the reasonable costs and expenses incurred by the **Policyholder** in replacing or restoring such **Documents** provided that:

- (a) such loss or damage is sustained during the **Policy Period** while the **Documents** are either in transit or in the custody of, either:
 - (i) the **Policyholder**; or
 - (ii) any third party to whom a reasonable person in the **Policyholder's** professional position would entrust the **Documents** with the expectation that the **Documents** would be protected from loss or damage;
- (b) where the **Documents** are in electronic format, the **Policyholder** has:
 - (i) ensured the following information technology ("IT") security measures are in place or has undertaken reasonable enquiries to verify whether a third party that the **Policyholder** has entrusted the **Documents** with, has the following IT security measures in place:
 1. procedures in place to back up such **Documents** at least once a week; and
 2. active and up-to date IT security that, at a minimum, has the ability to:
 - i. identify and remove software viruses and other types of harmful and malicious software ("Viruses");
 - ii. automatically scan files, documents, emails, email attachments, folders and other means of storing, transmitting and using digital information, for Viruses;
 - iii. provide firewall protection; and

- (c) the amount of any claim for such costs and expenses shall be supported by proof of loss or damage to **Documents** (for example bills and accounts) which shall be subject to approval by an appropriately qualified and experienced professional or advisor to be nominated by the **Insurer** with the consent of the **Policyholder** or if such consent is withheld, by the President of the Law Society of the State or Territory where the **Policy** was issued;

- (e) the **Insurer** will not be liable in respect of loss or damage caused by:
 - (i) mould;
 - (ii) vermin or pest infestation; or
 - (iii) fading, wear, tear or any other gradually operating cause; and
- (f) the total liability of the **Insurer** for all costs and expenses under this extension will not exceed in the aggregate, during the **Policy Period**, the 'Lost Documents Sub-limit' specified in the **Schedule**.

7.14 Newly created or acquired subsidiary

If during the **Policy Period** the **Policyholder** acquires or creates a new **Subsidiary**, the **Policyholder** will also include such new **Subsidiary** in respect of any **Claim** first made against the **Insured** and notified to the **Insurer** during the period beginning on the date of acquisition or creation and ending sixty days thereafter or at expiry of the **Policy Period**, whichever is the lesser period ("Subsidiary Cover Period"), resulting from the conduct of the **Healthcare Services** by such new **Subsidiary**, but not in respect of any such **Claim** resulting from any act, error or omission occurring or committed prior to the date the **Subsidiary** was created or acquired by the **Policyholder**.

This extension does not apply to:

- (i) any new **Subsidiary** acquired or created by the **Policyholder** that is domiciled or incorporated in the United States of America or its territories or protectorates; or
- (ii) the conduct, prior to the creation or acquisition of such **Subsidiary**, of services that are not the same as those conducted by the **Policyholder** and covered under this **Policy**.

Where the **Policyholder** wishes to have cover for the new **Subsidiary** beyond the Subsidiary Cover Period, it should contact the **Insurer** to discuss and the **Insurer** will confirm whether it is willing to offer cover, on what terms and for what additional premium.

When the **Policyholder** contacts the **Insurer**, the **Insurer** must provide its response as soon as possible but no later than the end of the Subsidiary Cover Period, or, where the **Policyholder** contacts the **Insurer** less than five business days before the end of the Subsidiary Cover Period, the **Insurer** must provide its response within five business days.

Any offer by the **Insurer** to provide ongoing cover for such new **Subsidiary** is not effective until the **Insurer** receives the **Policyholder's** written acceptance of the **Insurer's** offer.

7.15 Public relations expenses

The **Insurer** will indemnify the **Policyholder** for the reasonable **Public Relations Expenses** incurred by the **Policyholder** in respect of an **Adverse Publicity Event** that first occurs and is notified to the **Insurer** during the **Policy Period**.

Provided that:

- (a) the **Insurer** will only indemnify the **Policyholder** for the reasonable **Public Relations Expenses** that are incurred during the first thirty days immediately following the **Adverse Publicity Event**; and
- (b) the reasonable **Public Relations Expenses** are incurred with the **Insurer's** prior consent.

The total liability of the **Insurer** under this extension will not exceed in the aggregate the 'Public Relations Expenses Sub-limit' specified in the **Schedule** during the **Policy Period**.

7.16 Run off cover

If, during the **Policy Period**, any of the following events occur:

- (a) a **Merger or Acquisition** of the **Policyholder**; or
- (b) the appointment of a receiver, controller, administrator or liquidator to the **Policyholder** or the commencement of a scheme of arrangement or compromise or a winding up process in respect of the **Policyholder**,

then this **Policy** will remain in force until the expiry of the **Policy Period**, but only in respect of a **Claim** resulting from any act, error or omission occurring or committed prior to the event described in parts (a) or (b) of this extension.

7.17 Sixty day reporting period

The **Insured** may continue to notify the **Insurer** of **Claims** up to sixty days after the expiry of the **Policy Period**, but only **Claims** first made against the **Insured** during the **Policy Period** and based on any act, error or omission committed or alleged to have been committed prior to expiry of the **Policy Period**.

Any notification to the **Insurer** during this sixty day reporting period will be deemed to have been first notified to the **Insurer** during the **Policy Period**.

For a late notification after this period of time (unless otherwise provided for under this **Policy**), the **Insurer** may be able to refuse to pay a claim or reduce its liability by an amount that fairly represents the extent to which the **Insurer** has been prejudiced by the **Insured's** delay to notify the **Insurer** of a **Claim**.

7.18 Spousal liability

If a **Claim** against an **Insured** includes a **Claim** against such **Insured's Spouse** solely by reason of:

- (a) such **Spouse's** legal status as a **Spouse** of such **Insured**; or
- (b) such **Spouse's** ownership interest in property which the claimant seeks as recovery for **Claims** made against such **Insured**,

then the **Spouse's** legal liability for compensation resulting from such **Claim** will be treated for the purposes of this **Policy** as the liability of the **Insured**.

This extension does not apply to the extent the **Claim** alleges any act, error or omission by such **Insured's Spouse**.

7.19 Statutory liability

Notwithstanding exclusion 9.2.7 'Employer's Liability' and exclusion 9.2.8 'Fines, Penalties, Punitive or Aggravated Damages', the **Insurer** will indemnify the **Insured** for:

- (a) reasonable **Defence Costs** incurred with the **Insurer's** prior consent for proceedings under occupational health and safety law or environmental law first brought against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from the conduct of the **Healthcare Services**;
- (b) to the extent permitted by law, for any pecuniary penalties imposed upon the **Insured** based on any breach of occupational health and safety law or environmental law as a result of proceedings under occupational health and safety law or environmental law first brought against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from the conduct of the **Healthcare Services**, except for any pecuniary penalties:

- (i) resulting from any act, error or omission occurring or committed prior to the **Retroactive Date**;
 - (ii) imposed where the **Insured** knew, or where a reasonable person in the circumstances ought reasonably to have known, prior to the **Policy Period** that the **Insured** had contravened such law and committed an offence pursuant to that law; or

- (c) to the extent permitted by law, for any compensatory civil penalty first brought against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from the conduct of the **Healthcare Services**.

The cover provided under this extension will only apply to such pecuniary penalties imposed in the jurisdiction of Australia and pursuant to the laws of Australia.

The total liability of the **Insurer** under this extension will not exceed in the aggregate, the 'Statutory Liability Sub-limit' specified in the **Schedule**, and all payments will be part of and not in addition to the **Limit of Liability**.

7.20 Students, volunteers, committee members and council members

Part (b) of the definition of **Insured** is extended to include any natural person who is a past and / or present **Student, Volunteer, Committee Member** or **Council Member**, but:

- (a) only in their capacity as such;
- (b) only in relation to their conduct of the **Healthcare Services**; and

Notwithstanding exclusion 9.2.12 'Medical Practitioners', the **Insurer** will indemnify the **Policyholder** against civil liability for compensation and claimant's costs and expenses in respect of any **Claim** first made against the **Policyholder** and notified to the **Insurer** during the **Policy Period** based on vicarious liability of:

- (a) the **Policyholder**; or
- (b) any **Principal** of the **Policyholder** whilst acting in a capacity other than as a **Medical Practitioner**, for any act, error or omission of a **Medical Practitioner** or any locum tenens in the conduct of the **Healthcare Services**.

When this clause applies

This clause applies to any civil liability for compensation and claimant's costs and expenses, **Defence Costs** and compensation for court attendance in respect of any **Claim**, and **Inquiry Costs** (referred to collectively as "Loss" under this clause), which is either or both:

- (b) partly covered and partly not covered under this **Policy**,
(together 'Loss to be Allocated').

The **Insurer** must decide a fair and reasonable allocation of the covered part of the Loss to be Allocated among the relevant **Insureds** and the **Insurer** having regard to the extent of each **Insured's** comparative responsibility for the Loss to be Allocated.

What the Insurer must take into account when deciding Loss to be Allocated

- (g) the extent to which the Loss is solely of that **Insured**;
- (h) the extent to which the issues in the **Claim** or **Inquiry Notice** against that **Insured** are in common with the issues in the **Claim** or **Inquiry Notice** against any other person or entity;
- (i) the extent to which the Loss is partly covered and partly not covered under this **Policy**; and
- (j) in the event of a settlement, the likely comparative responsibility had the settlement not occurred.

If the Insured does not agree with the Insurer's decision relating to the Allocation of Loss

If the **Insured** wishes to dispute the **Insurer's** decision in respect of allocation, each party agrees that the dispute must be referred for expert determination in accordance with the Australian Disputes Centre's ("ADC") Rules for Expert Determination ("Rules") available on the ADC's website, to an expert agreed by the parties, or if the parties do not agree on an expert, an expert appointed by the ADC in accordance with the Rules.

Each party agrees to sign an agreement with the expert that confirms the following matters, unless contrary to the Rules or the requirements of the ADC:

- (a) the payment of fees for the appointed expert (Note: refer to 'Cost of the expert determination' below for more information);
- (b) the expert may:
 - (i) consider relevant industry practice;
 - (ii) consider all information presented to the expert by either party;
 - (iii) request more information from either party; or
 - (iv) request a meeting with the parties to which they may bring their legal representatives or other persons with information or knowledge relevant to the determination (Note: in accordance with the Rules, the meeting is not a hearing);
- (c) the expert must provide a determination, subject to receiving all information required, within thirty days after the agreement is signed, unless:
 - (i) another time is agreed between the parties, in which case the agreement will provide for this timeframe; or
 - (ii) the expert must comply with a timeframe as set by the ADC, in which case the agreement will provide for this timeframe;
- (d) the expert must provide written reasons for the determination;
- (e) the expert's decision will be binding on the parties and final; and
- (f) the liability of the expert to either party (including liability for negligence) will be excluded to the full extent permitted by law.

This allocation applies for all purposes under this **Policy** including Extension 7.2 'Advancement of Costs'.

Any allocation of Loss will not apply to or create a presumption with respect to the allocation of other Loss on account of such **Claim**.

Cost of the expert determination

The **Insurer** will pay for the cost of the expert determination above, including the **Insured's** share of the costs.

The ADC may require each party to bear the cost of the expert determination in equal proportions and require each party to individually pay their share of any cost required directly (including any fee, deposit or other amount charged). Where this is required, the **Insured** must pay the costs accordingly and the **Insurer** will separately reimburse the **Insured** for the cost of the expert determination.

10.6 Recovery rights

10.6.1 Preservation of rights of recovery

The **Insured** must not, without the **Insurer's** prior consent, enter into:

In the event of any payment under this **Policy**, the **Insurer** will be subrogated to all the **Insured's** rights of recovery against any person or organisation.

The **Insurer** has the right and full discretion but is not obligated to take over and conduct in the name of the **Insured** any recovery action (including in relation to insured, uninsured and underinsured losses). The **Insurer** may engage legal or other representatives to assist in the conduct of any recovery action.

The **Insurer** shall not exercise its rights of subrogation against an **Insured** in connection with a **Claim**, unless it can establish that exclusion 9.2.6 'Dishonest, Fraudulent or Criminal Acts' applies to that **Claim** and to that **Insured**.

10.7 Application of recoveries

All recoveries obtained from other parties will be allocated, after the settlement of any **Claim** under this **Policy**, as follows:

- (a) firstly, to the benefit of the **Insured** to reduce or extinguish the amount of compensation, claimants costs and expenses or **Defence Costs** to the extent that such amounts would have been paid under this **Policy** but for the fact that such amounts exceed the sum of:
 - (i) the **Limit of Indemnity**, or the amount of any specified limit applicable to a specific clause where applicable;
 - (ii) if the 'Basis of Limit' is specified as 'Costs in Addition', **Defence Costs** payable in addition to the **Limit of Indemnity**;
 - (iii) the **Excess** where applicable;
- (b) secondly, to the benefit of the **Insurer** for all sums paid in settlement, defence or investigation of any **Claim** under this **Policy**; and
- (c) thirdly, to the benefit of the **Insured** for the **Excess** under this **Policy**.

All recoveries will be applied as above only after deduction of the reasonable cost of obtaining such recovery. All recoveries made prior to settlement of any **Claim** under this **Policy** will be held for the benefit of the **Insurer** and applied as stated above after settlement if any is made.

Recoveries do not include any amount recovered from insurance, surety, reinsurance, security or indemnity taken for the benefit of the **Insurer**.

11. General conditions

11.1 Assignment

This **Policy** cannot be assigned by the **Policyholder**.

11.2 Authorisation

The **Principal Policyholder** is the agent for each **Insured** and each **Insured** is bound by any direction, statement, act or omission of the **Principal Policyholder** for all purposes under this **Policy**, subject to Claims Condition 10.3 'Claims Conduct' and General Condition 11.11 'Severability and Non-Imputation'.

11.3 Cancellation

The **Principal Policyholder** may cancel this **Policy** at any time in writing to the **Insurer** and specify the date from which it would like to cancel the **Policy**. The date cannot be earlier than the date the **Insurer** receives the request.

The **Insurer** may cancel this **Policy** where the law allows the **Insurer** to do so, including where:

- (a) an **Insured** has failed to comply with a provision of the **Policy**; or
- (b) the **Policyholder** has failed to comply with a provision of the **Policy** including with respect to payment of premium.

Upon cancellation, the **Insurer** will retain a short period premium calculated at the pro rata proportion of the **Full Annual Premium** for the time it has been on risk. The **Insurer** will refund to the **Principal Policyholder** the balance of the premium actually paid less any non-refundable government charges, unless there have been any notifications during the **Policy Period** or the **Policy** is cancelled due to fraud, in which case no refund shall be given.

11.4 Endorsements

An **Endorsement** does not affect or increase the **Limit of Indemnity**, the **Maximum Aggregate Limit of Indemnity** or any other term, except to the extent specifically provided in the **Endorsement**. Each **Endorsement** is otherwise subject to all the terms of this **Policy**.

11.5 Goods and services tax

As part of the premium, the **Insurer** will charge the **Policyholder** an amount on account of GST, stamp duty and any other government charges and levies that apply. The premium also includes any discounts the **Insurer** has given the **Policyholder**, and these discounts are applied before the addition of any applicable government taxes and charges.

The **Insured** must tell the **Insurer** about the input tax credit (ITC) the **Insured** is entitled to for their premium and the **Insured's** claim, each time the **Insured** makes a claim. If the **Insured** does not give the **Insurer** this information or if the **Insured** tells the **Insurer** an incorrect ITC, the **Insurer** will not pay any GST liability the **Insured** incurs.

The **Insurer's** liability to the **Insured** will be calculated taking into account any ITC to which the **Insured** is entitled for any acquisition which is relevant to the claim, or to which the **Insured** would have been entitled had the **Insured** made a relevant acquisition.

In respect of the **Insured's Policy**, where the **Insured** is registered for GST purposes the **Insured** should calculate the insured amount having regard to the **Insured's** entitlement to input tax credits. The **Insured** should, therefore, consider the net amount (after all input tax credits) which is to be insured and determine an insured amount on a GST exclusive basis.

This outline of the effect of the GST on the **Insured's Policy** is for general information only. The **Insured** should not rely on this information without first seeking expert advice on the application of the GST to the **Insured's** circumstances.

'GST', 'input tax credit' and 'acquisition' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

11.6 Governing law

The **Policy** will be governed in accordance with law of the State or Territory of Australia in which the **Policy** was issued. Any disputes relating to interpretation will be submitted to the exclusive jurisdiction of the courts of Australia.

11.7 Interpretation

In this **Policy** the singular includes the plural and vice versa. The neutral gender includes the female and male genders.

A reference in this **Policy** to any legislation or legislative provision includes any statutory modification or re-enactment of, or legislative provision substituted for, and any subordinate legislation issued under, that legislation or legislative provision (whether of the Commonwealth of Australia or elsewhere).

The titles and headings to the various sections of the **Policy** are included solely for ease of reference and do not in any way limit or expand or otherwise affect the terms of such sections.

11.8 Material change

The **Policyholder** must as soon as possible, notify the **Insurer** of any change to the **Healthcare Services** or where optional extension 8.1 'Public and Products Liability' applies, any change to the **Insured's Products** or **Business** that would change the nature of the risk covered by this **Policy**. These changes might include the following:

- (a) if the **Insured** starts (or intends to start) conducting services that differ from the **Healthcare Services**;
- (b) if the **Insured** starts (or intends to start) conducting specific activities (being activities specifically asked about on the **Proposal** or by the **Insurer**), where at the time of commencing or renewing the **Policy**, the **Insured** had advised the **Insurer** that it did not conduct those specific activities, including any express or passive confirmation of such at the time of renewing the **Policy**;
- (c) the **Insured** commences the manufacture, sale, supply or distribution of a new **Product** (where the optional extension 8.1.2 Section B - 'Products liability' applies);
- (d) if there has been a loss of or condition imposed upon any licence or authority required by the **Insured** to conduct the **Healthcare Services** or operate the **Insured's Business**;
- (e) if there has been a loss of or condition imposed upon any professional membership held by the **Insured** in connection with the **Healthcare Services** or the **Insured's Business**; or
- (f) the **Policyholder** or **Insured** becomes **Insolvent**.

If the **Policyholder** has not told the **Insurer** about any of the above matters having occurred during any other period of insurance the **Policyholder** held this **Policy** with the **Insurer**, the **Policyholder** must notify the **Insurer** as soon as possible.

What will happen once the Policyholder contacts the Insurer

Following notification of the matters above, the **Insurer** will advise the **Policyholder** as to whether it is willing to provide additional cover or continue offering cover, and if so, on what terms (for example, any endorsements, additional excess or special condition that may need to be applied) and for what additional premium (if any). This will be based on the **Insurer's** risk appetite and underwriting guidelines.

If the change in risk means that the risk is no longer acceptable under the **Insurer's** risk appetite or underwriting guidelines, the **Insurer** may cancel the **Policy**.

Any offer by the **Insurer** to cover the changes in risk as notified to the **Insurer** are not effective until the **Insurer** receives the **Policyholder's** written acceptance of the **Insurer's** offer. Until that time, the changes notified are not covered.

The **Policyholder** is entitled to cancel the **Policy** at any time, including where the **Insurer** does not offer to cover the changes notified or the **Policyholder** does not accept the **Insurer's** offer to cover the changes.

If a **Claim** arises from the change in risk notified which are not yet covered or the **Insurer** does not agree to provide cover, the **Insurer** may reduce or refuse to pay such **Claim** to the extent it arises from change in risk.

If the **Policyholder** does not contact the **Insurer** as required, it may lead to the **Insurer** reducing or refusing a **Claim** and/or canceling this **Policy**.

11.9 Other insurance

If at the time any **Claim** arises under this **Policy** there is any other insurance in force covering the same liability the **Policyholder** shall as soon as possible give to the **Insurer** full details of such other insurance, including the identity of the insurer and the policy number, and such further information as the **Insurer** may reasonably require. This is to enable the **Insurer** to exercise its right to seek contribution from the insurer of that other insurance.

11.10 Payment of Premium

The **Policyholder** must pay the 'Premium' specified in the **Schedule** for the **Policy Period** to the **Insurer** by the due date. The due date is on or before ninety days after the inception date of the **Policy Period** or such other time that the **Insurer** agrees in writing. If the **Policyholder** fails to pay the 'Premium' by the due date, the **Insurer** is entitled to cancel this **Policy** where the law allows it to do so.

11.11 Severability and non-imputation

Where this **Policy** insures more than one party, any failure on the part of any of the parties to:

- (a) comply with the duty of disclosure under the Insurance Contracts Act 1984;
- (b) comply with any obligation under this **Policy** (other than the obligation to pay premium); or
- (c) refrain from conduct which is dishonest, fraudulent, criminal or malicious,

shall not prejudice the right of the remaining party or parties to indemnity under this **Policy**, provided that such remaining party or parties shall:

- (i) be entirely innocent of and have had no prior knowledge of any such failure; and
- (ii) as soon as possible after becoming aware of any such failure, advise the **Insurer** in writing of all its relevant circumstances.

11.12 Territorial and jurisdictional limits of cover

- (a) any civil liability resulting from the conduct of the **Healthcare Services** anywhere in the world; and
- (b) **Claims** made anywhere in the world, except for those **Claims**;
